

Star Village

User Manual

2019-20

General Workflow

Description

This is a web based portal, the user need to type <http://112.196.37.108/StarVillage/> in the address bar of the browser to invoke the portal.

This chapter explains the functionality and provides specific instructions for each of the features offered by the software.

There are questions that are to be answered only once, bi monthly(first and the last month) and some of the questions are to be filled every month (progress in case of such questions will be tracked).

1. Landing Page:

Landing Page of this application displays the key objectives of the scheme 7-Star Rainbow scheme.

Objective

The main objective of instituting this award is to strengthen the institution of GPs and to highlight it as institution of decision making and making their Gram Panchayat proud. This includes economic & social development of Gram Panchayat in a transparent way through participative democracy offering equal opportunity to all citizens including the poor, women & other marginalized sections of society.
